THE DOLPHIN
PUBLIC HOUSE AND HOTEL
INTRODUCTION

The Dolphin is like our home, with each room offering a unique space for meetings, games, events, or parties. And when the weather warms up, our garden becomes part of the fun too.

We believe every event should be personal to you, Please let us know if you have any questions for us!

For groups of up to 12 (indoors), you can book instantly online. For outside, we don't reserve tables, but can save you a hut upon request.

For larger parties, you can reserve your space online to secure your spot while we work out the details with you.

We have two private function rooms (Garden room - up to 100, and Fishtank - up to 12), and reserveable bar areas, so we can provide the perfect atmosphere for your event!

During peak times, we tend to fill up quickly, so please let us know your plans as soon as they start taking shape.

Each event is priced individually, there is no room hire fee, instead we take a deposit that can be used for food or drinks at the event! Please call or pop in to sort this out.

The following menus are all available for functions, we recommend the buffet or board options for parties above 25 people. Please order at least a week in advance, and stick to one type of menu (i.e. Set menu OR Buffet OR Main menu) for each event. and let us know any dietary requirements!
